- Lock Back
- Thumb Hole – ambidextrous
- Scratch-Resistant Pocket Clip (tip down carry)
- Lanyard Hole
- Serrations sharpen w/ flat stone
- Made in the U.S.A.

COMMUTER – AVAILABLE NOW

The COMMUTER is an everyday carry pocket folding knife designed and built in Gerber's Portland factory. It is just as portable as the ever-popular LST and US1 yet offers a slightly heftier design to fit into a larger hand; it can still be carried comfortably in a pocket, purse or backpack with very little weight added.

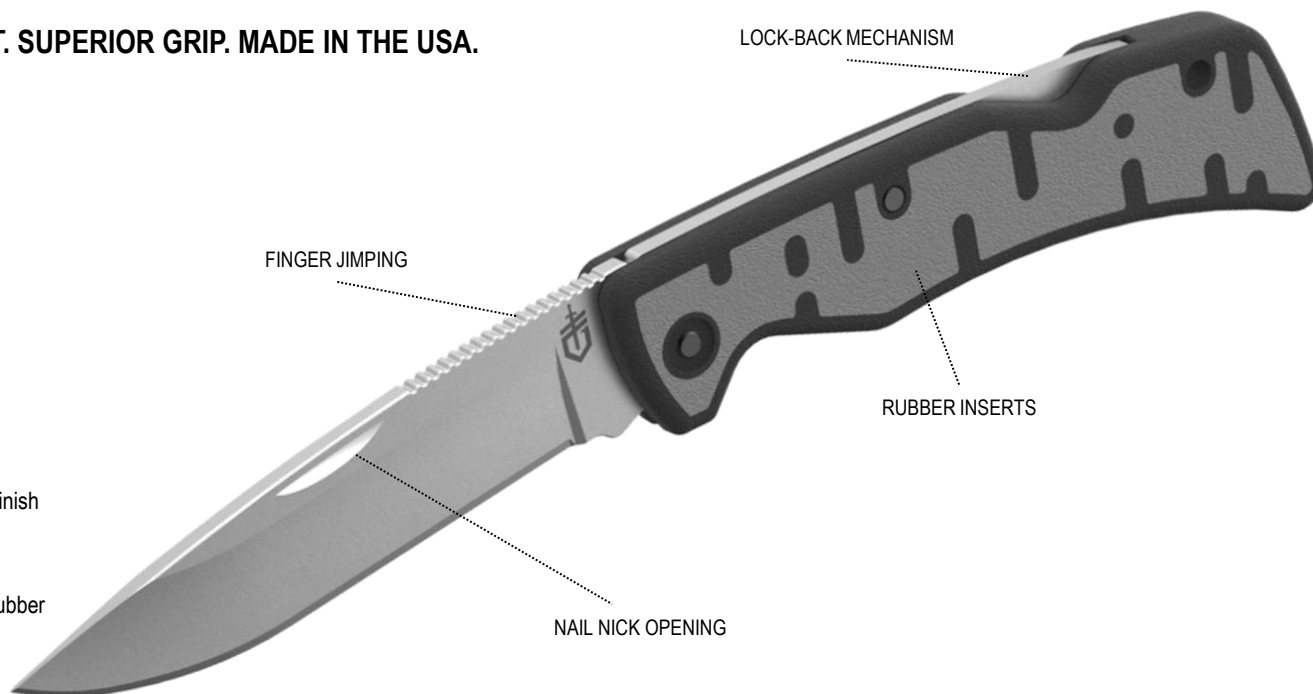

SLIM PROFILE. LIGHTWEIGHT. SUPERIOR GRIP. MADE IN THE USA.

FEATURES

- Lightweight & slim pocket knife
- Easy to operate lock-back mechanism
- Grippy rubber inserts on handle

TECH SPECS

- Blade Material: 420HC w/ stone wash finish
- Blade Length: 3.0"
- Overall Length: 7.21"
- Handle Material: Glass-filled nylon w/ rubber inserts
- Lock Type: Lock-back

COMPACT CLEARPATH MACHETE – AVAILABLE NOW

For back-country travel when every bit of weight is accounted for, the Compact Clearpath Machete is the tough, packable tool to bring along for the ride. The thoughtful design partners a corrosion-resistant, dual function stainless steel blade with the confidence of a Gator Grip® handle. The two-sided blade has both a fine edge for hacking brush and vines and a crosscut saw edge for cutting branches, limbs and small trees. When you head into the brush, never be without the Compact Clearpath Machete.

FEATURES

- Corrosion-resistant stainless steel blade
- Crosscut sawtooth technology
- Compact, packable sheath
- Gator Grip® handle for improved comfort
- Safety lanyard for easy tethering

BROADCUT MACHETE – AVAILABLE NOW

The modern version of the traditional jungle tribesmen's machete, the Broadcut Machete is as effective as the name suggests. The heavy fine edge blade is corrosion resistant and makes short work of dense brush. An innovative hook + cut notch is engineered into the blade, an ideal tool for manipulating troublesome vines and branches for removal. With a comfortable rubber grip and a large finger choil, this tool is designed for the long days and tough tasks.

FEATURES

- Hook + Cut Notch
- Stainless steel
- Improved grip comfort
- Thick blade
- Corrosion resistant
- Slim, belt carry sheath
- Safety lanyard

FIRE STARTER .- AVAILABLE NOW

Surviving the unexpected is about being prepared and a key factor to tackling the wild in confidence is the ability to build a fire. Gerber's Fire Starter is a compact, packable survival tool that is easily attached to a backpack or keychain with a lanyard. With built-in water-resistant tinder storage, an easy to spark ferrocerium rod, a sturdy metal striker, and a 100 decibel emergency whistle, your chances of staying alive are infinitely greater with this handy tool. COMPACT. RELIABLE. EASY TO USE.

FEATURES

- Compact Fire Starter with ferrocerium rod and 3Cr13 Steel striker
- IPX4 water-resistant storage compartment for tinder
- 100 Decibel emergency whistle-integrated into lanyard cord
- Lanyard to keep product secure and together

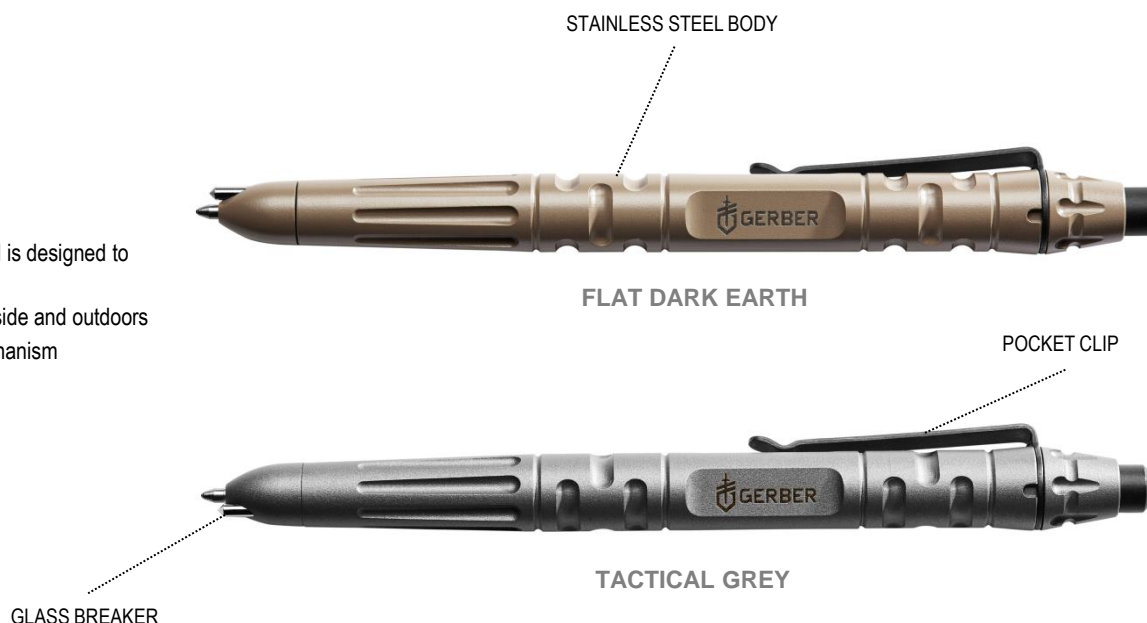

IMPROMPTU PEN – NEW COLOURS – AVAILABLE NOW

Originally designed as a rescue tool for first responders, the Impromptu is machined from steel and coated with ceramic Cerakote® for the ultimate in corrosion and chemical resistance. The pen features a tempered steel glass breaker in the tip for emergency situations. The Impromptu also features a replaceable Rite in the Rain® ink cartridge, which can be replaced with a number of commonly found ink cartridges.

FEATURES

- Rugged, machined steel body
- Stainless steel pocket clip keeps the pen handy
- Integrated glass breaker tip features tempered steel and is designed to get you out of trouble
- Rite in the Rain® ink cartridge works in all conditions, inside and outdoors
- Reliable push-button mechanism deploys ballpoint mechanism
- Backed by Gerber's Lifetime Warranty
- Made in the USA
